

ABOUT AYES

Advanced Youth Soccer Educational System (AYSES) features boys and girls U7, U8, U9, and U10. The program offers kids a higher level of individual and team soccer skills that will enable them to go as far as they wish with the sport. AYES employs imminently qualified coaches who provide an environment conducive to mastery of the skills and pure enjoyment of the game. Equally as important, AYES teaches the kids character building life lessons.

AYSES is the academy division of Texas Longhorns Soccer Club (TLSC), the oldest soccer club in North Texas. AYES develops select players for TLSC teams.
